Opposer has invested significant effort and resources in advertising and promoting its 365 marks and the goods sold under those marks, with the result that the purchasing public has come to know, rely on, and recognize the goods of Opposer by those marks. Opposer has established significant goodwill in its 365 marks.

5. In addition to its extensive common law rights, Opposer is the owner of numerous United States Trademark Registrations covering its 365 marks, including the following:

Each of the registrations listed in the chart above are valid and subsisting, and all but the last two are incontestable pursuant to 15 U.S.C. § 1065.

6. On information and belief, Cuisine 365 LLC (the "Applicant") is a Pennsylvania limited liability company with an address of 4207 Ferne Boulevard, Drexel Hill, Pennsylvania 19026. The

Applicant filed U.S. Serial No. 86/515,424 (the “Application”) pursuant to 15 U.S.C. § 1051(a) on January 27, 2015 for the mark CUISINE365 (the “Applicant’s Mark”). The Application covers “Restaurant and catering services; Bistro services; Providing of food and drink via a mobile truck” in Class 43.

7. The Applicant claims a first-use date of January 20, 2013.

8. There is no issue as to Opposer’s priority. Opposer’s first use in commerce of its 365 marks precedes Applicant’s first use of Applicant’s Mark and the filing date of the Application.

9. Applicant’s services are related to the goods for which Opposer has used and registered its 365 Marks.

10. The word CUISINE in Applicant’s Mark is generic for or merely descriptive of Applicant’s services.

11. Applicant’s Mark so resembles Opposer’s 365 marks as to be likely, when used in connection with Applicant’s services, to cause confusion, or to cause mistake, or to deceive. Purchasers and prospective purchasers are likely to believe that the services offered under Applicant’s Mark are sponsored, endorsed, or approved by Opposer, or are in some way affiliated, connected, or associated with Opposer or its goods and services. Registration should therefore be refused under 15 U.S.C. § 1052(d).

12. Opposer has not given Applicant permission or approval to use or register Applicant’s Mark.

13. Registration of Applicant’s Mark would damage Opposer because purchasers are likely to attribute the source or sponsorship of Applicant’s services offered under that mark to Opposer.

14. Registration of Applicant's Mark would damage Opposer because it would confer upon Applicant statutory presumptions to which it is not entitled in view of Opposer's prior use and registration of its 365 marks.

WHEREFORE, Opposer prays that U.S. Serial No. 86/515,424 be rejected, and that registration of the mark therein be refused.

This Notice of Opposition is being filed electronically, along with the filing fee required by 37 C.F.R. § 2.6(a)(17). The Commissioner is authorized to draw on the Deposit Account of Pirkey Barber PLLC, Account No. 50-3924/WFMV:5820/CLG, if there is any problem with the processing of the electronically submitted fee.

Respectfully submitted,

/SEC/
